THE QUESTIONS

The Bible is a big book, but it's such an important book - it is a guide for our lives given to us by *God*, it is a *lamp unto our feet*. It is not always easy to read or understand, and the vast amount of information within its pages can certainly be overwhelming at times!

That's why we've created this free eBook, to provide an entertaining way of helping you to discover more of the Bible and perhaps encouraging you to look more deeply into passages that interest you.

The questions are largely based on the King James Version of the Bible, but we have on occasions used other versions to give a better reading.

We've arranged the questions in order of difficulty, and while individual questions may be a little easier or harder than their position would suggest, each section as a whole gets progressively harder.
